

Temple Beth-El Foundations Capital Campaign Naming Opportunities

With so much progress being made this year with the restoration of our downstairs Social Hall and School - the Kadimah! Foundations Campaign - we have established additional ways to create a legacy for you or a loved one by taking part in TBE's NAMING OPPORTUNITIES.

Dedications serve as a profound means to support TBE and realize a DEEPLY PERSONAL and VITAL CONNECTION to the Temple. *Consider partnering with friends or family members to create a joint dedication.*

For additional information on multiyear payment plans, to reserve your dedication or to simply donate, please contact Joe Koskuba, Co-Chair, Kadimah! Committee at jkoskuba@gmail.com or Rabbi Moritt or simply go to our TBE site:
